<b>General remarks:</b>	
<p>The test results presented in this report relate only to the object tested.            This report shall not be reproduced, except in full, without the written approval of the Issuing testing laboratory.            "(See Enclosure #)" refers to additional information appended to the report.            "(See appended table)" refers to a table appended to the report.            Throughout this report a point is used as the decimal separator.            List of test equipment must be kept on file and available for review.</p> <p><b>Remark:</b>            This report consists of 8 pages and following appendixes:            Appendix A EUT photos            Appendix B Test equipment list</p>
